

FUNDRAISERS

What: A proven fundraising event that is unique, interactive, and a ton of fun. Our investigative games challenge your supporters to solve fictional crimes by visiting potential crime scenes, uncovering evidence, solving clues and interviewing informants.

Where: Downtown Savannah, GA

When: You name the day and time. For best results please consider booking us after dinner (i.e. 7 pm or 8 pm) and give us at least two and a half hours of uninterrupted time to entertain your guests. Please be sure to pick a date more than 30 days out for proper promotion on your end.

Who: This is a unique experience for the people who support your cause! Your people will purchase tickets from you and compete in teams of four to solve the crime and win the game.

Price: We've worked out a fundraising pricing structure that allows you to raise over \$2500 with a single event. Please contact us for details.

Promise: We'll provide one hell of a fun experience for the people that support you. We've performed our investigative games for dozens of non-profit organizations with fantastic results and feedback.

"I highly recommend Investigate Downtown. I'd give this 100 stars if I could!"
