

## CORPORATE TEAM BUILDING EVENTS

**What:** A proven team building event that is interactive, engaging, and a ton of fun. Our investigative games challenge your people to solve fictional crimes by visiting potential crime scenes, uncovering evidence, solving clues and interviewing informants.

**Where:** You name the city. We are currently headquartered in Savannah, GA, but we have a nationwide database of actors ready to facilitate some fun in any city across our great country. We prefer a city with a walkable downtown area for optimal fun.

**When:** You name the day and time. Typically these events take place during the week and we require at least two hours of uninterrupted time to entertain you. Please be sure to give us at least thirty days notice when booking your game.

**Who:** This is for your team! Our capacity of 100 people per event is based on our experience with these games and our promise of providing an impactful event. Your group will be divided up into small teams (3-5 people per team) and compete against each other to solve the crime and win the game.

**Price:** There are many factors to consider in order to provide an accurate quote. Please contact us and be ready with a date, time of day, location and number of participants.

**Promise:** We'll provide one hell of a fun experience for your staff. Teams will be required to work together to find and solve the clues that lead to solving the crime. We've performed *The Case of the Dead Paparazzi* for over three dozen corporate team building events in nine different states so far and we'd love to add you to the list of happy clients.

*"We still talk about *The Case of the Dead Paparazzi* three years after we played it!"*
